

SAYOOJYAM, THE HOME FOR THE CLERGY

To bring back lots of great memories and look forward to His presence

His Beatitude has spared a thought for them, the priests who offered their lives for the growth of the kingdom of God. In the thought for the charitable project in 2016 in connection with his festal celebrations His Beatitude remembers God's chosen ones in the world, and brings into completion a home for the clergy.

The priests of the Archdiocese of Trivandrum who totally dedicated their lives for the growth of the church deserves a peaceful time that can be spent in prayers. The home for the clergy, *Sayoojyam*, situated at Pirappancode, Trivandrum, is adjacent to the Malankara Medical Village so that there is sufficient medical care for the clergy who suffer from various ailments. His Beatitude says, "It is our divine responsibility to ensure the priests who made a great dedication in the building up of the church, a time filled with joy and happiness for the rest of their lives."

His beatitude invites you to be a part of the project

- by offering your prayers for the clergy
- by financially supporting in fulfilling the infrastructure requirements
- by assisting with the medical expenses
